Hygiene Kit Project: An Earthquake Response

An urgent recovery need in Japan's earthquake-damaged area is hygiene kits, provided through Church World Service. Kits can be prepared any time and are warehoused with CWS, ready to be sent anywhere that a disaster strikes, worldwide.

Dick Swisher, former 5th Tuesday Disciple Men's president, is organizing a kit assembly project on Sunday, April 3, 1 p.m. in the Community Room at Hillside Christian Church. Come to the east door. Bring any or all of the kit items; hygiene kits include:

Hand towel, approx. 16" x 28"

Washcloth

Wide-tooth comb

1 toothbrush in individual package

6 standard size Band-Aids

Nail clippers

Bath-size bar soap

All these things are sealed in a gallon zipper plastic bag.

Cash donations are also needed for shipping to CWS, and the \$2 per kit required to ship to the final destination.
