

CAMP SCHOLARSHIPS AVAILABLE!

Background:

Funds are often donated to the region, noted “camp scholarship.” These are kept in a growth fund and the earnings are used. Other donors prefer the entire amount of their gift be used to fund children/youth attending CCK Summer Camps.

The Region’s Bookkeeper, in consultation with the Treasurer, tracks earnings and makes known the amount available for use in a given summer camp season.

Criteria for Granting Scholarships:

- The number and amount of grants each year will be determined by funds available:
- Grants shall be made to children/youth who are active participants in a Kansas DOC congregation, and who are known to have financial need;
- Priority will be given to children/youth who are first-time campers;
- Applications may be filed by the home church on behalf of the child/youth;
- Grants are intended to assist where there is both need and where the **sponsoring congregation provides one-half the fee.**
